ATTN: Picasso/Port Huron Peace Project

Guernica, Spain after 1937 bombing

Picasso's Guernica debuted at the Paris World's Fair in 1937

WHAT IS THE PORT HURON PEACE PROJECT:

A Guernica-sized original mural (11.5' x 26.5')

Mural images provided by you and others like you; submissions should be single image pictures or simple graphics (see Picasso's samples at left and above—) that convey how war has impacted you, your family or community OR your vision for peace in the world. You may also create an image or share a word or short phrase that describes your feelings about either (war/peace).

WHY PARTICIPATE; WHY THIS PROJECT? Studio 1219 is working to build community and promote the arts through dynamic projects that support its mission. *Picasso Becomes You* is a large scale project and fundraiser for the studio that launches April 20, 2012. Picasso became well known for his advocacy for peace and his outcry against violence and war. It is fitting that we should come together as a community creating a project that does the same.

WHO CAN SUBMIT: Anyone. All submissions are welcome. See below for details.

HOW DO I SUBMIT?: Please enter your submission on a piece of paper and email, mail or drop off at Studio 1219. We are not looking for final art, only your idea. Artists on the team will select submissions for the final design and create the final piece. You may even sketch your idea on the back of this paper and turn it in. Please include identifying information: Name, Age, Address and if you are a Vet or family member with a Vet, please include which branch of the military and which war (if any) that your family member served in. Thank you. All selected submissions will be credited in the final project. Thank you!
